- Sign the back of your card.
- Do not write on or scratch the black stripe on the back of your card.
- Do not put your card near magnets.
- If your card is damaged or bent, it will need to be replaced.
- If your card is lost, stolen or damaged, you must first call EBT Customer Service at **1-888-328-6399**.

YOUR PIN—KEEP YOUR PIN A SECRET

NEW INFORMATION FOR PERSONAL IDENTIFICATION NUMBERS (PINs)

Mailed PIN numbers will only be made available to EBT card holders that do not have valid social security numbers or if your case worker has determined that a mailed PIN number is required. If you do not receive a mailed PIN, you can select a PIN over the phone by calling the following toll free number: 1-888-328-6399. Please be prepared to provide the security information required to complete this process.

PIN stands for Personal Identification Number.

- Your PIN is your electronic signature. It contains four (4) numbers.
- Your benefit card will not work without your PIN.
- If you forget your PIN or want to change your PIN at any time, call **1-888-328-6399**. You will be asked to provide certain information for security purposes. You may also change your PIN at most Social Services Offices, Job Centers and SNAP Centers.
- If you enter your PIN incorrectly four times in a row, your account will be locked out until the next day even if you select a new PIN.
- Never write your PIN on your card or on the card sleeve.
- Never let anyone, even a store cashier, see you enter your PIN at a machine.
- Never give your PIN to anyone. If a person has your card or card number and knows your PIN, all of your benefits can be used.
- If someone else uses your card or card number and PIN, your BENEFITS WILL NOT BE REPLACED.
- If you need a family member to have access to your EBT benefits, contact your local agency about naming an Authorized Representative on your case. A separate EBT card will be provided for you to share with the Authorized Representative you have selected.

HOW TO USE YOUR CARD AT THE STORE

- Before you shop, check your last receipt to find out how much money is in your account, or call toll free at **1-888-328-6399** or on the Internet at www.connectebt.com.
- Most food stores accept the EBT Card. If you do not see the Quest® logo your card may still be accepted. Check with the store before shopping.
 1. At check-out, your card is swiped through the machine by you or the store cashier.
 2. Follow the directions on the machine to enter your PIN. Only you should enter your PIN.
 3. The cashier or the machine will provide you with the purchase amount. You may also enter the amount yourself.
 4. Always check your receipt to make sure that the amount on the EBT purchase is the same as the grocery receipt.
 5. If you are required to **“key”** enter your card that fails to **“swipe”** for a transaction because the card is damaged, you must contact EBT Customer Service (**1-888-328-6399**) and report the card as damaged. A mailed replacement card may also be requested during the call or by contacting your local district office.

IDENTITY THEFT – PROTECT YOUR EBT BENEFITS

If someone calls you, don't give them personal information such as your social security number, EBT card number, or EBT PIN. Even if the caller claims to be a local agency worker, a State, a Federal or an EBT official, do not give them your personal information.

If you suspect or know:

- That your card or card number has been lost or stolen;
- That someone not authorized by you has gained access to your card or card number and PIN; or
- That someone has gained information about your identity that may result in your benefits being stolen.

Then follow these three (3) steps:

1. You **must** immediately contact EBT Customer Service (**1-888-328-6399**) or on the Internet at www.connectebt.com to report your EBT card lost or stolen. Only by first contacting EBT Customer Service to deactivate your EBT card can you protect yourself against potential benefit theft. EBT Customer Service will deactivate your card so that no one else can use it. You can also request a new replacement card to be mailed to you at this time.
2. Contact your local agency worker to report the problem and to request what is called EBT ARU PIN Restriction. You, as the cardholder, will need to sign a permission form at your local agency or assistance center in order for this procedure to be used. This is a procedure that your local agency can use to make it impossible to change your PIN over the phone through the EBT Customer Service helpline or through the Internet Cardholder Account website. Once this procedure is done, any PIN changes would have to be done by you, with your card in hand, at the local agency or assistance center. This restriction can also be removed upon your request by your agency worker.
3. If you did not request a replacement card when you called EBT Customer Service to report your card lost, stolen or damaged, contact your worker and request that a new card be issued to you. It is recommended that you select a new PIN for your new card at the agency or assistance center.

CARDHOLDER ACCOUNT WEBSITE

You can now get information about your account(s) on the Internet by going to www.connectebt.com. The website also allows you to create your own account ID and password after you have logged in for the first time. You should use your most recent active card number, the PIN to your card and your Zip Code to create your account. Authorized representatives can also use this website to access account information by using their own EBT card, the PIN for their card and the Zip Code belonging to the client. Once you sign in with your card number, the PIN and the Zip Code, you will be able to do the following:

- Get your account summary (account balances).
- Get your account(s) activity (transaction) details.
- Get an online account statement.
- Change your PIN (unless you have a PIN restriction in place).
- Communicate directly with EBT Customer Service; and
- Report your card damaged, lost or stolen.

EXPUNGED BENEFITS

An expunged benefit is a benefit that is **removed** from a cash or SNAP account. In the cash benefit program, if you do not use your account for a period of 90 consecutive days, any cash benefit remaining in the account that is at least 90 days old will be expunged (removed) from the account. You may ask your worker to reissue only the expunged cash benefit for which you are eligible. In the SNAP benefit program, if you do not use your SNAP account for a period of 365 consecutive days, any SNAP benefit remaining in the account that is at least 365 days old will be expunged (removed) from the account. The expunged SNAP benefit cannot be reissued.

EBT TRANSACTION ERRORS

Occasionally an EBT **system** error occurs during a cash or SNAP transaction resulting in a mistake being made in the account balance. Some examples of EBT system transaction errors:

- If you made a SNAP purchase, and the SNAP account was incorrectly charged twice for the same purchase; or if an ATM only gave you \$20 when you requested \$40, but your cash account was still charged the \$40. If you think a **system** (not clerical or human) error has reduced your account incorrectly, you may file a claim for an account adjustment by contacting EBT Customer Service. You have 90 days from the date of the suspected transaction error to file your claim.
- SNAP account claims are usually resolved within 15 days.
- Cash account claims may take up to 30 days to resolve.

- EBT Customer Service will provide you with a claim number that you can use to check the status of your claim.

While you are waiting for your claim to be resolved, your local agency or assistance center cannot replace the amount you are disputing. If you have an emergency or immediate need, you may contact your local agency or assistance center regarding that need.
