

Supplemental Nutrition Assistance Program (SNAP) Documentation Guide

NOTE: As of August 29, 2012, any reference to the SNAP Program in this notice shall mean the Supplemental Nutrition Assistance Program (SNAP), and any reference to SNAP shall mean SNAP benefits.

In order for us to determine your eligibility for SNAP benefits, we need you to give us proof of the SNAP eligibility factors listed below. The suggested documentation and helpful tips in this guide will help you to give us the proof we need to determine your SNAP eligibility.

If we determine that you are eligible for SNAP under the expedited processing rules, we can give you a SNAP benefit even if you only verify your identity. However, before we can give you more SNAP, you must verify the other eligibility factors for yourself and any other household members.
